## Algemene informatie

|                 |               |
|-----------------|---------------|
| Materiaalnummer | 35088         |
| EAN/UPC-code    | 9002759350888 |

## Afmetingen

|                                                 |      |
|-------------------------------------------------|------|
| Artikeldiameter (in mm/in)                      | 1220 |
| Artikelhoogte (in mm/in)                        | 315  |
| Hoogte plafond tot onderkant vleugel (in mm/in) | 284  |
| Plafondkap diameter (in mm/in)                  | 150  |

## Fan

|                             |                   |
|-----------------------------|-------------------|
| Motortype                   | AC                |
| Motor Watt                  | 52                |
| Voedingsspanning            | 220-240V, 50Hz    |
| Kleur van de behuizing      | wit mat           |
| Materiaal van de behuizing  | ABS, UV-bestendig |
| Vleugelkleur (1)            | weiss matt        |
| Vleugelmateriaal            | ABS, UV Resistant |
| Aantal vleugels             | 4                 |
| Vleugel instelhoek          | 9, 5°             |
| Geschikt voor hellingen tot | 15                |

## Performance

3

|                              |       |
|------------------------------|-------|
| Watt/Luchtvolume (1)         | 50,23 |
| Omwentelingen per minuut (1) | 235   |
| Luchtvolume m3/uur (1)       | 12966 |

## Illuminant

|                |                     |
|----------------|---------------------|
| Lichtbron 1    | exclusief           |
| Type fitting 1 | without lamp socket |

## Controls

|                      |          |
|----------------------|----------|
| optional controllers | No       |
| Aantal batterijen    | 2        |
| Soort batterij       | AAA/LR03 |

## Features

|         |                                                                                                 |
|---------|-------------------------------------------------------------------------------------------------|
| Werking | afstandbediening incl.<br>besturing via afstandsbediening<br>richting omkeerbaar<br>3 snelheden |
