

## Algemene informatie

|                 |                |
|-----------------|----------------|
| Materiaalnummer | 98757          |
| Type            | Wandlamp       |
| Productsegment  | buitenarmatuur |
| Thema           | Zonne-energie  |

## Afmetingen

|                            |      |
|----------------------------|------|
| Artikelhoogte (in mm/in)   | 210  |
| Artikellengte (in mm/in)   | 140  |
| Nettogewicht (kg)          | 0,49 |
| Artikelluitbouw (in mm/in) | 110  |

## Materiaal & Kleur

|                            |             |
|----------------------------|-------------|
| Materiaal van de behuizing | Kunststof   |
| Kleur van de behuizing     | wit         |
| Glas/kap materiaal         | Kunststof   |
| Glas-/kap kleur            | transparant |

## Functionality

|                            |                            |
|----------------------------|----------------------------|
| Type schakelaar            | sensor + dag-/nacht-sensor |
| Sensorhoek (in °)          | 120                        |
| Gevoeligheid min. (in lux) | 30                         |
| Brandduur min. (in sec.)   | 18                         |
| Brandduur max. (in sec.)   | 25                         |
| Afstand (in meters)        | 6                          |
| Batterij                   | Ja                         |
| Soort batterij             | Li-ion; 2000mAh            |

## Technische informatie

|                   |        |
|-------------------|--------|
| Veiligheidsklasse | IP54   |
| Veiligheidsklasse | 3      |
| Netspanning       | zonder |
| Voedingsspanning  | 3,7V   |
| Dimbaar           | Nee    |
| Watt 1            | 3,2    |

## Lichtbron 1

|                                     |             |
|-------------------------------------|-------------|
| Aantal lampfittings / lichtbron 1   | 1           |
| Type fitting 1                      | LED         |
| Type lichtbron 1                    | SOLAR-LED   |
| Lichtbron 1                         | inclusief   |
| Lumen per lampfitting / Lichtbron 1 | 440         |
| Kelvin 1                            | 3000 / 4000 |
| Lichtkleur 1                        | WWNW        |
| Dimbaar                             | Nee         |

|                                                                                    |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |
