

## Algemene informatie

|                           |                            |
|---------------------------|----------------------------|
| Materiaalnummer           | 99255                      |
| Type                      | opbouwarmatuur             |
| Productsegment            | woonkamerarmatuur          |
| Thema                     | overige / niet toewijsbaar |
| Energie-efficiëntieklasse | E                          |

## Afmetingen

|                           |      |
|---------------------------|------|
| Artikelhoogte (in mm/in)  | 28   |
| Artikelbreedte (in mm/in) | 160  |
| Artikellengte (in mm/in)  | 160  |
| Nettogewicht (kg)         | 0,98 |

## Materiaal & Kleur

|                            |           |
|----------------------------|-----------|
| Materiaal van de behuizing | staal     |
| Kleur van de behuizing     | zwart     |
| Glas/kap materiaal         | Kunststof |
| Glas-/kap kleur            | wit       |

## Functionality

|                 |                   |
|-----------------|-------------------|
| Type schakelaar | zonder schakelaar |
| Batterij        | Nee               |

## Technische informatie

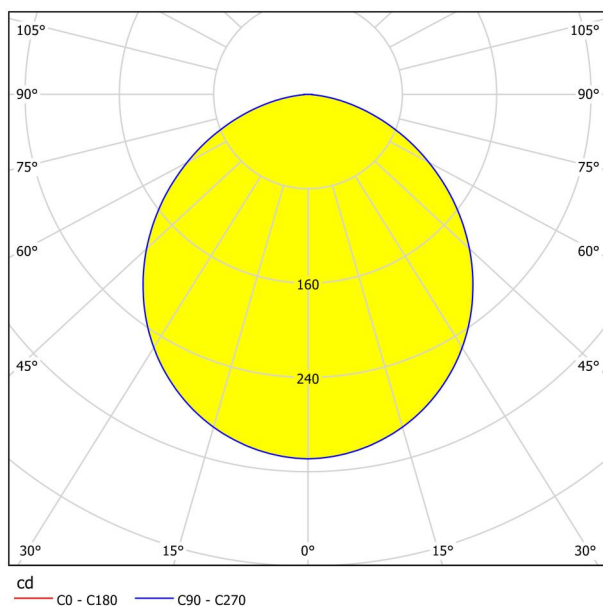

|                              |                  |
|------------------------------|------------------|
| Veiligheidsklasse            | IP20             |
| Veiligheidsklasse            | 2                |
| Netspanning                  | 220-240V,50/60Hz |
| Voedingsspanning             | 220-240V,50/60Hz |
| Dimbaar                      | Nee              |
| Watt 1                       | 11               |
| Max. watt incl. trafo/driver | 12W              |

## Lichtbron 1

|                                        |                                               |
|----------------------------------------|-----------------------------------------------|
| Aantal lampfittingen / lichtbron 1     | 1                                             |
| Type fitting 1                         | LED                                           |
| Type lichtbron 1                       | LED                                           |
| Lichtbron 1                            | inclusief                                     |
| Lumen per lampfitting / Lichtbron 1    | 1350                                          |
| Kelvin 1                               | 4000                                          |
| Lichtkleur 1                           | WHITE                                         |
| Energie-efficiëntieklasse              | E                                             |
| Dimbaar                                | Nee                                           |
| Info changeability□light source/driver | LED + driver can be exchanged by a specialist |
